of Correction

S I R:

Pursuant to 35 U.S.C. 254 and 37 C.F.R. 1.322, it is hereby requested that a Certificate of Correction be issued for the above-identified patent without charge, as the mistake occurred through the fault of the Patent Office. The mistake was the filing date of the French Priority document. The correct date is October 30, 1998 not October 30, 1999 as it appears on the Letters Patent. The correction requested is shown on the attached CERTIFICATE OF CORRECTION (form 1050).

That the mistake (omission) was the fault of the Patent Office is clearly shown in the record, most notably by the Official Filing Receipt .

Issuance of the attached Certificate of Correction without charge is therefore requested.

Respectfully submitted,

Date: 16 February 2005
